Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: Claims 1-81, 85-87, 92-97, and 99-128 are allowable over the prior art of record. The arguments filed in Appellant's Brief of 1/9/09 have been reconsidered and persuasive, therefore the rejections of record have been withdrawn. An updated search of the prior art has been performed, however, no additional relevant art was found. Thus, claims 1-81, 85-87, 92-97, and 99-128 are now allowable as the prior art of record fails to fairly teach or suggest a multilayer image forming material comprising the instantly claimed components in the instantly claimed amounts.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Amanda C. Walke whose telephone number is 571-272-1337. The examiner can normally be reached on M-R 5:30-4.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cynthia Kelly can be reached on 571-272-1526. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
